

Bigfoot Adventure Challenge

Cloverdale MTB Route Information

Distance and Elevation: 6 miles and 500 feet of climbing

Trailhead Location: Cloverdale Trailhead – Cloverdale Road, Igo, CA

Route Directions:

1. Cloverdale Loop Trail – Take the Cloverdale Loop Trail north out of the parking lot.
2. Cloverdale Loop – stay on this main trail, avoid vista trail off shoots unless you want a short out and back to some great views.
3. Cloverdale Connector – at the end of an extended uphill you will come to the intersection with the Cloverdale Connector. Head left towards Piety Hill Loop Trail
4. Piety Hill Loop Trail – after a short distance, stay left onto the Piety Hill Loop Trail (reverse from previous years).
5. Piety Hill Loop – stay on the loop trail until it comes back to the Cloverdale Connector. Note:
 - Misc. Connector Trails – there are several separate, but minor interior connector trails, stay on the main Piety Hill Loop trail.
 - Vista Area Trail – there is another vista out and back trail if you want a great view.
6. Cloverdale Connector – at the end of the loop, take the Cloverdale Connector back to the trailhead parking lot.

Detail: This Bigfoot Adventure Challenge traverses the BLM managed Cloverdale Recreation Area which hovers about Clear Creek west of Redding. This network of blue level trails flow through a beautiful oak woodland on some times smooth, sometimes rocky, all the time fun old school trails. Stop at the marked vista points and enjoy the beautiful views. Note that the Piety Hill loop is designed for riders to traverse it in the opposite direction from previous years.
