RULES AND DETAILS

APRIL 1–MAY 31, 2024

TRAIL ADVENTURE

The Bigfoot Adventure Challenge is a fun outdoor experience and NOT a race—please be courteous of other users and take an opportunity to stop and say hi!

KNOW BEFORE YOU GO

Weather, post-winter trail conditions, and more will impact route conditions. Please check the Adventures page on the website for current route status.

KNOW YOUR ROUTE — CHECK THE BOX

Very important to note that the routes can be completed in a way that works best for you. Our mapping includes a trailhead start, BUT you can start your adventure anywhere along the route—whether that's your home, work location, or your favorite coffee shop. Start your route, intercept our mapped adventure at your best location, substantially complete the route, and check the box on your passport. For your route-finding help, Strava Routes, Trailforks Routes, and Paper Maps can be found at bigfootadventurechallenge.com with instructions for use.

EMAIL YOUR PASSPORT

Take a picture of your completed passport and submit via email to bigfootadventurechallenge@gmail.com by Saturday, June 1, 2024.

WHAT YOU WIN FOR AT LEAST 3 ROUTES

All Challenge participants who successfully complete 3 or more adventures in any category will receive official 2024 Bigfoot Adventure Challenge socks (1 pair per participant while supplies last) and get entered into the Adventure Drawings for gift certificates at your favorite local adventure store. You will be entered into each Adventure Drawing you submit a passport for. See the website for more details about prize amounts, the requirement to attend the Closing Party, and more.

WHAT YOU WIN FOR A BLACKOUT

Check all the adventure boxes on your passport (blackout) and win Bigfoot's special edition 2024 Bigfoot Adventure Challenge hat. Note: you can work an optional work day in lieu of accomplishing one of the adventures. See rules and additional details on the Blackout page of our website.
